TERMS AND CONDITIONS FOR ONE TIME PAYMENT SELF-HOSTED

- Complementary SMS units to be credited if/when payment is made on or before the mid-term of each term. Payment made after will not be credited.

- Physical support for training of the usage of the application is subject to company's discretion. Schools may be billed for the physical support.

- Schools outside Lagos will be done three times digitally. App guides have been provided on the application to guide the schools through.

- Training on the usage of the App will comprise of: (a) Staff (b) Bursar/Accountant/Secretary (c) Director. Training will be fully digital as there will be audio visuals and manual app guide provided.

- Enjoy unlimited digital for subsequent supports.

- 75% of the payment must be paid before the app setup. The remaining 25% must be paid after the onboarding.

- Onboarding and migration of school's data will take place on or before the second week of the term so, spreadsheet containing students' data should have been emailed to the company before then.

- Charges for payment gateway integration will be billed on the school.

- App subscription review is at the company's discretion while notifications will be sent on or before the end of the second term if there will be any review in the new session.

- App review and upgrades may be done annually. Schools may be charged for upgrade if or when needed.

- The company will not be responsible for any loss of data due to the school usage. If technical support is needed to retrieve data, the school may be charged for it. Always be careful with data handling.

- There is no recurring termly charges. Hosting and domain name renewal is charged annually and based on the cost above.

- The company will not accept any liability which arises from the school's usage of the application. The company is only responsible for the domain and hosting technicalities of the application.

- Any upgrade or features needed by the school to be added on the application if not part of the package agreed to use, will be billed as the organization will only work based on the package subscribed to.

- All termly payment must be completed before the start of the examinations.
