TERMS AND CONDITIONS FOR SUBSCRIPTION PACKAGES

- Complementary SMS units to be credited if/when payment is made on or before the mid-term of each term. Payment made after will not be credited.
- Schools within Lagos termly review is according to the organization's discretion. Enjoy unlimited digital for subsequent supports.
- Onboarding and migration of school's data will take place on or before the second week of the term so, spreadsheet containing students' data should have been emailed to the organization before then
- Training on the usage of the App will comprise of: (a) Staff (b) Bursar/Accountant/Secretary (c) Director. Training will be fully digital as there will be audio visuals and manual app guide provided.
- Charges for payment gateway integration will be billed on the school.
- App subscription review is at the organization's discretion while notifications will be sent on or before the end of the second term if there will be any review in the new session.
- There will be a free term to test the app but the school must choose a package, sign the agreement form as well as the payment plan form to ascertain their interest in using the app. The school will pay 50% discount for the free term.
- Schools wishing to continue using the application in the free term will have to pay the normal payment in the subsequent terms.
- Two forms shall be mailed to the school to be filled and submitted to the organization. Agreement Form to state the agreement to use the organization's application and the school's acceptance to its terms and conditions while the Payment Form to state the payment plan within a term.
- The payment will be in accordance to how it is stated on the payment plan form. Two weeks grace will be granted. Notifications shall be sent to the school a week after the grace period elapses.
- Tweaks and issues should be reported to our support channels either on the application, our website or through our support personnel.
- A support personnel will be allocated to the school, you can reach us via the personnel or any of our other support channels.
- Please read the app guides well to get familiar with the usage of the application so that the school can independently use the application with little or no interference from our support channels.
- Any upgrade or features needed by the school to be added on the application if not part of the package agreed to use, will be billed as the organization will only work based on the package subscribed to.
- All termly payment must be completed before the start of the examinations.
